Construction **Tractor Hits Gas Line**

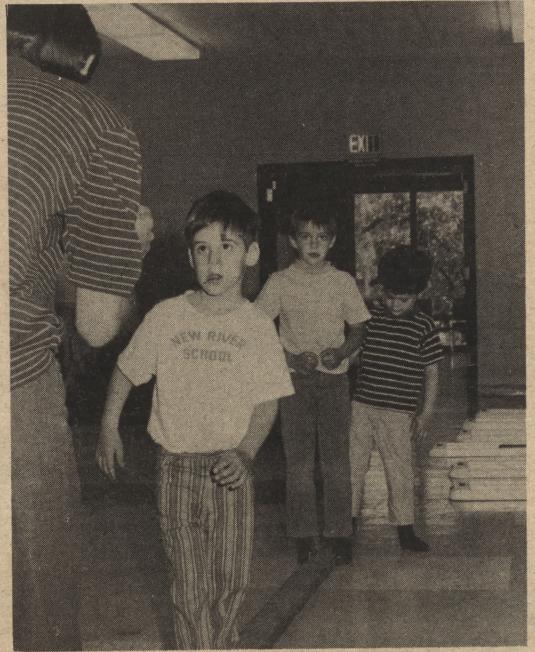

PLACENTIA - A tractor working at the site of the widening of Yorba Linda Boulevard near Bradford, struck and ruptured a four inch main gas line Thursday afternoon. The volatile fumes hissed at 40 pounds pressure.

Placentia Fire Department joined the Fullerton Department at the scene.

Southern California Gas Company personnel repaired the leak as police from Placentia and Fullerton diverted the traffic around the area. A tiny spark from any source could have caused a disaster.

A spokesman from the Placentia Fire Department pointed out that the rupture had to be repaired immediately. Shutting the gas off would mean interrupting service to all the homes in the area. Relighting the pilot lights in each home would have been a nearly impossible task.

Radus Petition Denied By Superior Court

by Sid Radus of Yorba Linda to dissolve a 22-month old injunction in that city was denied last week by Superior Court Judge J. E. T. Rutter.

The injunction prevented a city election on an initiative proposal which would have created a highly restrictive city zoning ordinance.

If successful the initiative would have imposed rigid controls on commercial development, required 10,000 square foot lots in R-1 zones and 15,000 in E-4 small estate zones. In addition it would have prohibited any more zoning for apartments or mobile home parks.

Passage of the initiative would also mean that any zone change would have to be voted on by the people of the city.

The permanent injunction had been issued on the grounds that zoning could not be changed by election since state law requires notice and public hearings before

A major reason for the The board also adopted a reduction, she continued, is that as soon as the bonds for the new building addition were sold, the money went into investments and drew interest from the very beginning. The accrued interest more than paid the first year's total bonded indebtedness.

Librarians **Preparing Facilities**

School opens September 13, and all students will have the text books necessary for use in their chosen course of study, it was learned this last week. All books for the schools and libraries have been delivered to the various schools.

There were a few big tasks confronting Miss Margaret Bradley and her staff this past summer in preparing for the 1971-72 year in that the state issued a social studies text for the first time for primary grades. Another task was to supply books for the Fairmont, and the Bernardo Yorba School library, the latter to be ready for use in October.

Library books are the extra-curricular reading and reference books needed to assist pupils in their work.

There were 33,692 books on hand in the elementary grades and 5,879 added. The libraries of the elementary schools closed with 6,911 books with an average of 5 books per child. The loss in grades 1 through 6 was less than 10%, it was stated, and also that the younger children take excellent care of books.

CSF Orientation Planned

Live-In," a two-day introduction to college life for incoming freshmen, will be staged at California State College, Fullerton September 13 and 14.

More than 400 new students are expected to participate in the annual event, according to project chairman Chris Chase.

The orientation is sponsored by the Associated Students.

"We have held these orientations for the past four years, and the response has been great," Chase said.

"A student coming to college for the first time will often be lost for the first several weeks," he said. "New faces, strange buildings and a completely different way of life as compared to high school often frightens new students."

"With these orientations, and by living on campus for two days, we will try to make as many freshmen feel as welcome as possible, so they will learn that this school is their school. We want them to feel part of college life, not just a confused observer," said Chase, a senior from Fullerton.

YL Dept. Will Offer Square Dance Class

Leonard Allen, local square dance caller, announces that a new format is planned for the square dance lessons he will give for the Yorba Linda Recreation Department beginning September 24.

The main change will be that there will be two callers alternating between calling and assisting novice dancers out on the floor. Allen says that previously this has been a problem as a lone caller may not notice that some squares are not performing the dance patterns correctly. Also, from the beginning, the class this fall will become familiar with a change of caller's voice which normally is not done until after several weeks of lessons. Each caller has his own way of interpreting how a specific song should be called and by alternating callers it will encourage the dancers to listen more

closely to the directions. Allen's partner this fall will be Ray Armstrong of

La Mirada, who is a freelance caller in the Arizona and California areas. He is a member of the Southern California Callers Association which meets monthly for workshops. While the first class will

not begin until September 24, a free western party will be held on Friday, September 17, from 8 to 11 p.m. at the Van Buren School. Allen and Armstrong will be on hand to introduce guests to the type of dancing which will be taught. All local residents are invited to the party whether they be participants or spectators. Refreshments of cookies and punch will be served.

Persons desiring additional information on either the party or the classes, may call Allen at 528-7440.

Ramirez Boy Finds Home Anaheim

With the help of Father Henry Vetter and Mrs. Alice Sigala, teacher, Avelino Ramirez of Mexico is now living in Anaheim and attending school at Valencia High School.

Avelino, who is sixteen, comes from a farm 47 miles south of Mexicali. He is the youngest of fifteen children.

Father Vetter tried for a long time to assist Avelino in finding a home and school here to advance his educational opportunities.

Many schools are not equipped to handle non-English speaking students and until Mrs. Alice Sigala worked on the project it looked hopeless. Now he is attending school in the Placentia Unified School District where he is learning English along with all normal classes.

He is living with the family of Mr. and Mrs. Robert Logan of 2522 Sandalwood Ct., Anaheim, California. They hope to help him till he has completed his high school education.

Avelino says, "What I like most of Placentia and Anaheim is the many trees and how green it is here."

Local Men To Attend YMCA Conference

Two area residents were selected to represent the local YMCA in the first annual "Project Sunrise" held this past weekend at the University of California at Santa Cruz.

Todd Murphy, Placentia resident and director of the YMCA youth program here, and Walt Waid, Cal State Fullerton graduate, participated in the new adult conference for people ages 18 to 30.

Designed as an action conference, the three-day meeting dealt with the issue of how to get involved in community affairs. They learned how to put into action what other people talk about, according to Bill Coston, executive director of the North Orange County YMCA.

Leadership at the conference was provided by industrial and business heads as well as government officials, including Justice William O. Douglas of the U. S. Supreme Court.

Travel Agency Opens Up In Yorba Linda

Yorba Linda's newest business establishment, the Yorba Linda Travel Agency, held a formal opening last Wednesday, September 1. The agency is operated by Mrs. Maxine Mock and Guy Zimmerman, and features "personalized service."

Reservations for all airlines, railroads, and steamships may be arranged as well as group or individual tours. All major credit cards are accepted.

The new travel agency is located at 4886 Main Street in downtown Yorba Linda.

McPherson, a senior at El Dorado High School, was accompanied on his trip by Dean Miller and Bob Brantly of Whittier and Wayne Stimson of Lakewood.

Each booklet is unique in that it expressed in its cover the thinking of the department. For instance, the City of Placentia booklet is in City colors of orange and white and compiled by Frank Dunnavant, director of finance; public works department has a cover of roads done in opaque gray with an orange tinge and compiled by Gerald M. Hendricks, director of public works.

The planning department report by Director Thomas Nelson, with a cover of white is scrolled with circles showing Placentia area. Perhaps the most outstanding in cover design is that of the parks and recreation department, which is a soft toned yellow, depicting one of the larger pieces of fun

One word, "Service", is the title of the fire department's annual report, and pictures and charts delineate the volume of activities of that Department.

The last report, but not the least when studied in point of services rendered, is the Placentia Police Department.

These reports were all compiled by department heads in cooperation with their staff, and give the impression of diligent thought and keen insight into the needs and hopes of each department for the city in which they serve.

Private School To Register **New Students**

Registrations are now being accepted for the fall term beginning September 13 and testing will be conducted during the next two weeks at the Fairmont Private School, 1557 W. Mable Street, Anaheim.

Students from India, Argentina, Iran and Japan are just a few who will be sharing their culture and country with the students who have lived all their lives in the United States of America. These students are attending Fairmont to acquire a better background in English and to learn our life and culture.

Fairmont's diversified curriculum has caught the eye of many countries, and over the past 19 years, many, many students from foreign lands have graduated from Fairmont, returning to their own country with the "old-fashioned" virtues and strong academic foundation attained at this strict, yet friendly, campus.

Mr. and Mrs. Roy E. 10 p.m. and will be held in the Music Room at Valencia High School. The Choral group is sponsored through Adult Education, and any interested North Orange County residents may participate.

Valencia ASB Card Sale **Emphasized**

Everyone should have an associated student body card, says Russell Hanano, Valencia High School vice-president for school year 1971-72.

A notice to students from Hanano states that the Student Council wishes to establish better communications with the students and the faculty, and to have greater student involvement.

"The best way to achieve goals", said Hanano, "is to buy a student body card. When you do, you gain a great savings and also do your part to help Valencia High School".

Hanano welcomes all students in his note to them, and expresses hope for an outstanding year at Valencia.

Senior patrol leader Chris Bergh, 14, and Bill Dyson, 14, troop chaplain were selected to participate in the Polaris 2-Star training program. Designed to develop leadership potential in the scouts, the program offers a series of lessons including an overnight hike - in teaching boys how to become patrol leaders.

Eventually such knowledge will be used to help the boys in forming their own troops, according to Scoutmaster Don Bergh of Yorba Linda.

Tips For Bicyclists Are Listed By Police Dept.

Department has some tips for bicyclists and their parents from the department's bicycle safety officer, Daryll Thomann.

He gives safety lectures at schools to remind youngsters and their parents that although Placentia did not sustain a bicycle versus automobile fatality for the year of 1970, seven accidents were reported of this nature, six of which resulted in injury to the bicyclists.

Many of these injuries could have been avoided if the bicyclists would have just kept in mind the following safety rules: Keep bicycle in good mechanical condition, obey all traffic rules and signs, walk bicycles across busy intersections, ride alone on bicycles, at night be sure your headlight and rear reflectors are in good condition, remember that bicycles are to be ridden or driven as a vehicle would, regarding stop signs, right side of roadway.

All bicycles should be licensed and locked when not in use to ensure the owner against theft. In 1970, 256 bicycles were reported stolen in the city. Most of the thefts occurred at schools and stores where the owners failed to lock their bicycle.

Of the 256 bicycles stolen, 84 were recovered and returned to their owners, mainly through their license; however, an

The pamphlet will take some research and time, noted Stabile, and will not be ready for several weeks, although the board meets once each month to bring in new ideas and aids, and to correlate findings.

Varsity Polo Starts Practice For Season

In preparation for what looks like their most promising season, El Dorado's Varsity water polo team began two-a-day workouts Tuesday.

The reason for optimism is that seven out of last years ten Varsity lettermen are returning, including two All Orange League first team members, Guy Antley and Mike Wiegand. Dan Kenney, Scott Smith, Steve Bond, Dan Filie, and Chick Kenney are the other returning lettermen.

The workouts this week have stressed conditioning in the morning session and passing, shooting and drills in the afternoon. In the morning session, coaches Walter Druff and Rick Davis stated that they were going to include running and exercises to go along with the usual weight lifting and swimming.

This summer the Hawks played in summer league. They lost only one game, but unfortunately they were not allowed to play in the championship round. They will open the season by scrimmaging La Habra next week.

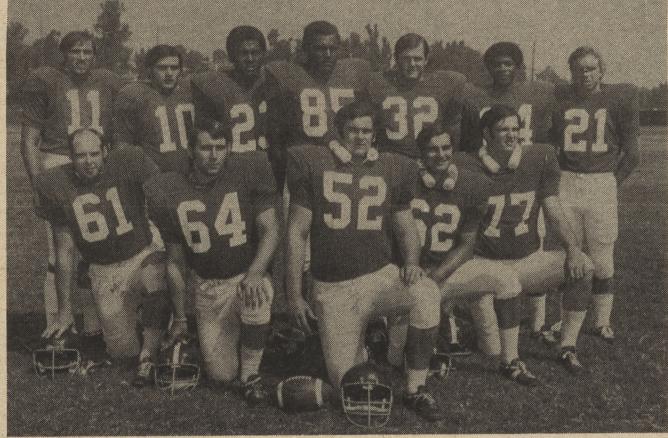

Receives Unit Award From AFROTC

El Dorado High School was the recipient of an Air Force Junior Reserve honor it was announced recently.

One of 23 high schools throughout the United States to receive the honor, ED was named a "Meritorious Unit".

The honor is based on enrollment in the unit, facilities, administration, instructional standards, student retention, unit management, and compliance with the Air Force school agreement.

El Dorado was one of two California high schools so honored.

Top members of the Cal State Fullerton football offensive team are, back from left, Mike Ernst, Chris Jaramillo, Tyrone Perry, Morris Perry, Robin Denton, Stan Chapman, and Terry McLean. In front are, from left, Marshall Johnson, Greg Howit, Mark Hemphill, Greg Coleman, and Alva Smith.

Prepares For Season

El Dorado's Varsity football team, after a week of two-a-day conditioning workouts, put on the pads Tuesday in preparation for an extremely tough season.

With a Varsity squad of only thirty-three, the Hawks have been working twice as hard as they prepare for teams of such caliber as Rancho Alamitos, Sunny Hills, and Tustin.

Troy Conditioning Will Begin Football Season

The 1971 football season opened for the Troy Warriors last Monday with the beginning of conditioning drills. Many things have changed since last year's 1-8 disaster. Phil Oram has moved in from Brea-Olinda to take over head coaching duties, replacing George Vallance. Most of the huge line of last season is gone, leaving a smaller but much quicker group of Warriors.

John Hufford, a 6-foot, 162-pound senior, will probably be given the quarterback duties. However, Jon Fredrigill could challenge him for the spot. Andy Ortega and Jeff Cromwell plus Jim Roache, all seniors, will see a lot of action in the backfield. Help has arrived for the receiving corps in the form of 6'2" senior Dave Lingenfelder, a hero of last year's basketball squad. Lingenfelder played his freshman and sophomore years but sustained leg injuries both seasons. His great hands and tremendous leaping ability will give Troy experiment.

passers a reliable target to throw to.

On defense, big 6'7", 260 pound Rich Lowry is back and primed for a big senior year. Tom Baker returns at linebacker and if his ankle holds up, the fiery senior could be accepting all-CIF honors come December.

The Warriors' first game is September 25 at Orange. The Panthers ran all over Troy last year 28-0 in the season opener. The Warriors are looking to even the score this season and have the talent and coaching ability to do it.

MARLIN FISHING VERY GOOD

Boats from Long Beach to San Diego are reporting lots of strikes from marlin with many of the big game fish being boated. The bill fish are hitting feathers, Knuckleheads and live mackerel in the channel with the hot spots being the 209, 43, 277, and the east end of Catalina and San Clemente Islands.

The water is very warm, averaging about 74.5 degrees in midchannel, and this should produce excellent fishing conditions throughout the month of September.

ALBACORE UP TO THEIR OLD TRICKS

The albacore have been playing hide and seek with anglers up and down the entire coastline. Some days offer good fishing while others leave a lot to be desired.

The fish are still in the waters off the Orange County coast line and they should settle down and put on a good showing as the water starts to cool.

The larger fish have moved in and seasoned skippers from Art's Landing and Davey's Locker predict that the longfins

will be around for awhile. One of the best rods manufactured to handle the big albacore is the Sabre "Stroker" rod. The short rod was designed by Mike Stoker of California Tackle Company, and with it the angler has almost complete control of the

Most party boats are running light loads now, and as the month passes on, loads will even become smaller. Fishing gets better in September when yellowtail, big albacore, yellowfin tuna and marlin stage their best showing of the season. Just because summer ends, don't hang up your rods.

CATFISH GIVE WAY TO BASS

The channel catfish enjoyed the spotlight during the summer months at most southland lakes, but as the cooler nights set in, bass will be taking over the headlines. The big bronzebacks, which, have layed dormant for the past three months will be on the move. Bucketmouths will be feeding heavily, storing up food for the winter.

The best lake in the southland, come opening day September 16, will be San Vicente Reservoir in San Diego. The large lake has a tremendous bass population and last years' opening produced an average of three keepers per rod.

Vail Lake will be good for bass, crappie and bluegil with the catfish tappering off a bit. Vail Lake is located a few miles east of Hwy. 395 near the town of Temecula. Down the road apiece from Vail is Lake Henshaw, which, has enjoyed a good production of bass catches all season.

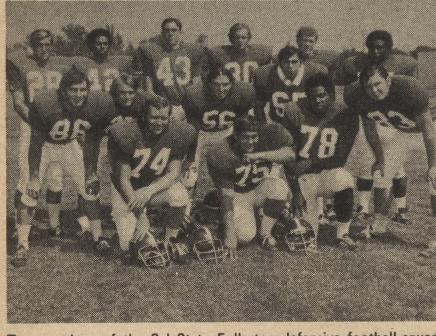

BIG TROUT ON MOVE

The High Sierras will produce some big brown trout for anglers working the larger rivers and streams as the trout start to move out of the lakes prior to their spawn.

Bonus plants of rainbow trout will keep streamside anglers happy for the rest of the season.

Grant Lake, in the June Lake Loop, is highly recommended for big browns during September, as are the Bridgeport area lakes.

All in all September is a good month for all active outdoorsmen to get out and enjoy the great outdoors.

Top members of the Cal State Fullerton defensive football squad are, front from left, Gary Nesmith, Brian Wofford; middle from left, Don Crtalic, Gary Smuts, Ed Kennedy, John Montova, and Fred Luettgerodt; back from left, Dale Smith, Ethis Williams, Alan Hakes, Dan O'Dell and James La Coste.

Square Dance Club **Set For Recreation**

and Parks Department announces the beginning ofsquare dancing and square dance lessons as part of its year around program for Placentians.

The square dance club, named the "Cast Offs," will hold dances the first and third Friday of each month beginning Friday September 17. The dances will be held at the Backs Community

Cross Country **Team Prepares** For Season

Troy's Cross Country team, after last year's successful season, will be right back in the thick of things this season.

Although four of the seven varsity runners from last year have departed, new Coach George Vallance has a strong nucleus in Dan Schwepker, John Greenlee, and Alan Swenson to work with.

Other Varsity prospects include Jerry Mitchell, Kevin Ballard, and Jared Lee, all on the J.V.'s last year. John Preble and Bill Greenlee on the Frosh-Soph team last season also have a chance.

The first dual meet will be on October 1 against La Habra. However, the Warriors will participate in the Corona Del Mar Invitational on the 25th of September and in a tri-meet with Orange at Magnolia on September 28.

Boys Sponsor

Esperanza district Boy Scouts held their first annual swim meet at El Dorado recently with Troop 775 winning the revolving trophy.

Members of the troop who contributed to its 126 point total were scouts Schramm, Russell, Hartzhein, Berg, Chappell, Elliott, Mines, Bersh, Stevens, Wheatly and Smith. Troops 700 and 750 finished second and third respectively.

A special presentation for Webelo Scouts from Pack 798 will be made in September with scouts Diebold, McBride, Townsend and Hemouver receiving honors.

Filie Named **Head Coach** For Servite

Nick Filie, an 1968 graduate of Valencia, was recently named head water polo and swimming coach for Servite High School.

Nick, who played waterpolo and swam for both Valencia and Cypress College, will be taking over one of the most highly respected aquatics programs in the county. For the past three years Servite has won their league and gone to CIF in water polo.

Previously Nick has had experience as a swimming and age group water polo coach for the Placentia Swim Team. He will be a senior at Cal State Fullerton this fall.

Giffins Take Vacation At Mission Bay

Mr. and Mrs. Dave Giffin, 19816 Villager Circle, Yorba Linda, were able to "just get away from it all" for a few days when they quietly relaxed at the Catamarand Hotel in Mission Bay recently. They enjoyed their privacy and relaxed in the sun.

They were joined one evening for dinner by Mr. and Mrs. Charles Giffin, (Dave's brother and his wife) from Pasadena who were also vacationing at the Hilton Inn.

Mrs. Barbara Talboy, Mrs. Giffin's mother from Anaheim, helped make the vacation so successful by graciously consenting to be at the Giffin home with grandsons Steve, 11, and Jim, 9.

Leahys Have Relatives As Houseguests

Mr. and Mrs. William Leahy and children Randene, 51/2 and William Randolph, 3½, 19861 Villager Circle, Yorba Linda had the pleasure of having Mrs. Leahy's cousin and his wife, Mr. and Mrs. Laurence Olah as their houseguests during most of August.

Olah, received his discharge from the United States Army in July. He had served as an interpreter for Military Intelligence in Germany for the past two years. The Olah's arrived at the Leahy home August 6 and remainded until August 27, during which time Mr. Olah talked over his plans with the Leahy's about resuming schooling in Orange County and taking up new residence in Fullerton.

Mrs. Leahy and the Olah's were all born and raised in Budapest, Hungary.

Kathy's petal cap which was also in a lace pattern was covered with tiny seed pearls and held her elbow length veil. Her bridal outfit was completed with her dainty white strapped sandles. For something blue she wore a blue garter. Kathy's bridal bouquet was made of white daisy mums, white carnations and baby's breath tied with white satin ribbon.

The Maid of Honor was Karen Rapp, a sister of the bride and the three bridesmaids were Karrie Rapp, another sister; Miss Suzanne Bell of Newport Beach; and Mrs. Roy Rauschkolb of Buena Park.

All of Kathy's attendants wore identical gowns which were aqua in color with empire waistlines trimmed front and back with lace in a daisy design. Accenting the floor length gowns were their bouquets of yellow daisy mums and baby's breath tied with yellow satin ribbon. Straw flowers which were aqua in color were scattered throughout the attendants hair.

The Church had been decorated with candles, basket of flowers in the bride's colors and the pews were decorated with white wrought iron stands which held white and yellow mums, and candles, and trimmed with white satin ribbon. The bride entered the church, and was given in marriage by her father. The Reverend Stanley Jones sang the Wedding Prayer in addition to traditional wedding music.

The four-tiered wedding cake, was made and decorated, with loving care by the bride's aunt, Mrs. Hazel Stewart. The massive cake was white and decorated with aqua roses and flowing wisteria. The serving table was covered with white linen, centered with the cake and enhanced with white tapers. Over 200 guests were served cake, punch, coffee, nuts and mints.

Mrs. Rapp was gowned in a pink crepe street length dress trimmed with lace and wore a corsage of pink baby roses. Mrs. Simpson was lovely in a short sleeved street length gown of yellow polyester and wore a corsage of Talisman roses in an apricot shade.

Gary Stocks Participates In **Fuel Operation**

Navy Airman Garry C. Stocks, son of Mr. and Mrs. Paul W. Stocks of 813 Oriole, Placentia, California, participated in the first night operation which simultaneously employed dual methods to refuel and resupply an underway aircraft carrier.

With the hazards of two ships steaming together at close refueling quarters intensified by South China Sea darkness, Stocks' ship, the nuclear powered attack aircraft carrier USS Enterprise, took fuel from the combat stores ship USS Sacramento by the familiar "highline" method.

Communication **Course Taken** By Employees

Dispatcher-clerks of the Placentia Police Department attended a three hour communication school last week in Orange.

Chairmen of this annual PTA event are Mrs. Becky McClellen and Mrs. Barbara Smith, hospitality co-chairmen of the Wagner PTA.

Most people find it hard to think of a police officer in any other terms than those related to his job. But, nevertheless, policemen are husbands, fathers, homeowners, community workers, students and sometimes even spelunkers. Patrolman Jim Robertson of the Placentia Police Department is all of these.

Robertson, 32, came to the Department as a reserve officer in December of 1968 and remained in that capacity until last June when he decided to again make police work his career by becoming a regular police officer for the city. Pichon Meets Success Early In Police Career

At the age of 32 many men's careers in the field of law enforcement are only just beginning. For Lt.
